

COVID-19 Pandemic Waiver

I acknowledge that Artsy Fartsy Studio LLC is doing the very best to keep all students and campers safe during the COVID-19 pandemic. According to the CDC this is the guide for a low risk camp structure:

Lowest Risk: Small groups of campers stay together all day, each day. Campers remain at least 6 feet apart and do not share objects. Outdoor activities are prioritized. All campers are from the local geographic area (e.g., city, town, county, community).

Each camp will have a limited small group. We will be spending all of our time outdoors. Campers are allowed inside the house for bathroom breaks only and will be taken one by one. We will do our best to keep campers at a safe distance from each other. They will be asked to wash hands often, especially before and after snack + lunch time. Teachers will be wearing protective face shields.

Temperatures are taken when students / campers arrive to ensure no one has a fever. Materials will be washed / sanitized before each camp day.

Artsy Fartsy will not be preparing food, snack will be provided but only prepackaged snack will be offered. We will refill everyone's individual water bottles when needed.

I acknowledge that Artsy Fartsy will NOT be held responsible for any child who gets sick during or after our camps or classes. This is a voluntary camp with inherent social distancing risks.
